

COVID-19 Showing Guidelines

How to Protect Yourself and Others

Avoid close contact

- **Stay home if you are sick.**
- **Stay at least 6 feet away** from anyone who is not part of your household.
- Maximum **two people per show time** (from the same household).
- **Keep your scheduled appointment.** Showings are 20 minutes apart to ensure you are able to view the property alone and allow cleaning between each showing. If you miss your appointment, you may have to reschedule

Cover your mouth and nose with a cloth face cover at all times

- **You could spread COVID-19 to others** even if you do not feel sick. The cloth face cover is meant to protect other people in case you are infected.
- **Everyone should wear a cloth face cover** when they have to go out in public, including our staff.
- **If you are not wearing a cloth face cover, you will not be allowed in to the property.**
- Continue to **keep about 6 feet between yourself and others.** The cloth face cover is not a substitute for social distancing.

Keep it clean

- **Wash hands or use hand sanitizer before entering the property.**
- **Remove shoes outside the property.**
- **Do not touch anything when you are in the property.** This includes doorknobs, light switches, countertops, faucets, etc. We will open all doors and turn on all lights before you arrive. If you would like to open a closet or run some water, please ask the agent on site so they can do this on your behalf or provide you with gloves.
- **Wash your hands after leaving the property** or any other public place, with soap and water for at least 20 seconds.
- **Avoid touching your eyes, nose, and mouth with unwashed hands.**
